

REMARKS/ARGUMENTS

Favorable reconsideration of this application as presently amended and in light of the following discussion is respectfully requested.

Claims 11, 12, and 16-23 are pending in this application. Claims 11, 16, 19, and 22 are amended by the present Amendment.

Amendments to the claims find support in the specification as originally filed, at least at page 59, line 9 to page 63, line 5, and Figure 38. Thus, no new matter is added.

In the outstanding Office Action, Claims 11 and 19 were rejected under 35 U.S.C. § 112, second paragraph; and Claims 16-22 were objected to for informalities.

Regarding the objections to the claims, Claims 16 and 22 are amended as suggested in the outstanding Office Action to correct informalities. Thus, it is respectfully requested those objections be withdrawn.

Further, with respect to the rejections under 35 U.S.C. § 112, second paragraph, Claims 11 and 19 are amended to remove the terminology questioned in the Office Action. Thus, it is respectfully requested the rejection of Claims 11 and 19 under 35 U.S.C. § 112, second paragraph, also be withdrawn.

Accordingly, Applicants respectfully submit that independent Claims 11 and 19, and claims depending therefrom, are allowable.

Consequently, in light of the above discussion and in view of the present amendment, this application is believed to be in condition for allowance and an early and favorable action to that effect is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
